WE DRESS UP IN COSTUMES

Our guides show up in historical costumes and play out their roles. Depending on the language, your guide will be either a 17th C. Polish nobleman or a Renaissance Burgess lady. We promise it will not only draw attention of your guests, but also provide an opportunity to make amazing travel photos.

WHO IS IT FOR?

EATING AND SIGHTSEEING IN ONE

Poznań Feast Tour is an innovative combination of sightseeing, food tasting and city entertainment. It is best suited to any adult groups not interested in traditional sightseeing, yet wishing to spend an entertaining evening in the city centre and learn something about the local food traditions.

The food portions are big enough to replace a 3-course dinner, which makes it a perfect alternative to traditional company evenings out.

THE TOUR CAN REPLACE A DINNER

We won't leave anyone hungry – the portions are big enough to replace a 3-course dinner.

MENU

- **Starter**
Traditional potatoes with cottage cheese + local beer or fruit syrup
- **Main course**
„Greater Polish duck” – traditional duck served with dumplings and cabbage
- **Dessert**
Saint Martin Croissant with coffee/tea

We reserve the right to alter the menu depending on restaurant availability.
